

DEVON PREPARED:

WHOLE SOCIETY RESILIENCE FORUM

Friday 22nd March 2024. 10am - 4pm

The Kenn Centre, near Exeter, EX6 7UE

Join us to explore many relevant topics concerning Whole of Society Resilience in Devon.

✓ **Keynote presentation: What is Whole of Society Resilience?**
Becky Maynard - Regional Engagement Manager for the South West and North of England at VCS Emergencies Partnership

✓ **Presentation and panel discussion:**
What support is there for communities working to be prepared and to improve their resilience?

✓ **Case studies, workshops and networking opportunities:**
How to set up an emergency rest centre.

- How to involve the community in preparing for and responding to emergencies.
- What householders can do to help reduce flooding.
- Future resilience – what will climate change mean for us?
- How is public health affected by the changing environment?

✓ **FREE** refreshments and a light buffet lunch
