History

Dame Audrey Buller DBE RRC
Founder of St Loye's Foundation in 1937

Formerly known as the St Loye's Foundation and Community Care Trust, the two charities merged in 2015 to form Step One Charity

Step One Charity is a non-profit organisation that provides support to people with mental health challenges, learning disabilities and neurodiversity across Devon

We have a long and distinguished history, dating back to 1937 when we were founded as St Loye's College

Every year, we support up to 800 people to take control of their future and fulfil their potential
